What's New with Pete's Pagebuilder!

New!

Beginning Wednesday, October 8th, 2008 the first Pete's Pagebuilder User Group meeting will be held. These meetings will be held to discuss any issues a user may be experiencing, ideas and suggestions on how they would like to use the tool as well as any feedback the user may have. The first meeting will be held in the IT Conference Room located in the UNWE building - Lower Level.

Please send any questions you may have about the user group meeting to petespagebuilder@utep.edu.

Your attendance is very important to us, hope to see you there!

"Tip: Please remember to give all modules a unique name, this will make a module easier to retrieve if it is accidentally deleted ..."
